

Accessibility

GXM Consulting is committed to providing an accessible and usable website for all visitors, including people with disabilities. We endeavor to conform to the World Wide Web Consortium (W3C) Web Content Accessibility Guidelines 2.1 Level AA (<https://www.w3.org/WAI/>).

This site is compliant with W3C standards for HTML and CSS, and displays correctly in current browsers and mobile devices.

We continually seek to improve the accessibility and usability of our website. If you encounter any difficulties in using our website, please do not hesitate to contact us:
